- Specialized Diagnostic Technologists (esp. pediatric)
- Recognize our Needs for New Info
- Specialized Training Based on Needs
- Methodologies
- Teachers
- B-3 Providers
- Speech & Language
- Language Instruction

DAY TWO -- MIND MAP DESIGN COMPONENTS (Continued)

8 Knowledge

- ASL
- Spoken Language
- Information
- Basis of Individuals
- Ability to Provide Access

9 Cultural Understanding

- Committees
 - 9.1.1 Community
- Family Cultures
- Individual Cultures

10 Clear Vision/Goals

11 Collaboration

- Connect Agencies
- Open Access / Open Doors

12 Accessibility

- Interpreting Services
- Enrollment
- Physical
- Videophone & Video Relay Services
- Socio-economic
- Captioning
- Signing Video
- Geographic
- Equal Access
 - 12.1.1 Communication

13 Early Identification

- Access
- Protocol for Screening
- Accept New Technology
- Screening
- More State Facilities
- Diagnosis
 - Diagnosis Centers Working Together

14 Community Awareness

- Advocacy Groups
- New Moms Aware of What is Available
